## THE LIONS' PAGE

The Lions' Page is a joint Newcastle/PTSA bi-monthly newsletter that is a great resource for finding out what is going on at the school. In September all families will receive a hard copy. Beginning the first week of October, each edition will be posted **online only**. All families will be notified via email when a new edition has been posted. If you would like to receive a hard copy **instead** of the electronic reminder, please select that option above.

## PTSA STUDENT DIRECTORY

The PTSA School Directory is given **only** to families who join the PTSA. It is prepared by the PTSA and includes basic family information (student name(s), parent name(s), address, phone number and email address.) Also included are lists of students by classroom and other important reference phone numbers. At this time, the school provides the PTSA with all directory information **except** email addresses, which must be collected from families each year. *Please check the appropriate box above to allow us to include your email address.*

**\*NOTE: If you would like any student or family information to appear differently from what was provided to the school, please email us at [info@newcastleptsa.org](mailto:info@newcastleptsa.org) by September 25th with that information. Your family's information will be included in the directory unless you have requested that it remain unpublished. Please contact the school Registrar at 425/837-5821 if you are unsure.**

## DO YOU SPEAK ANOTHER LANGUAGE?

We need volunteers to translate newsletters for other school families and for teacher/principal conferences. If you speak another language fluently and would like to help, please indicate.

## EGROUPS & ISSAQUAH SCHOOL DISTRICT LEGISLATIVE AFFAIRS

Egroups is a weekly electronic PTSA publication that includes both reminders of Lions' Page news and new information relating to fundraising opportunities and PTSA-sponsored events. ISD Legislative Affairs is an as needed email reminder of important Issaquah School District issues that affect our children and their education. Please indicate above if you would like to receive these email communications.
