

# LET'S COMMUNICATE

## The Lions' Page Update

The joint Newcastle/PTSA weekly newsletter, The Lions' Page, will be distributed during the month of September in hard copy form to all families. Beginning the first week of October, each edition will only be distributed via email reminders and posted on the school website for you to read or print out.

**\*\*Each family can select either hard copy sent home every week or electronic reminders only.\*\***

If your family wants to receive a hard copy of the newsletter each week, please fill out this form and return it to the school by September 26<sup>th</sup>. If electronic reminders work for your family, you do not have to do anything, unless you have had a change in your email address or you are new to the school.

Please send my family a **hard copy** of The Lions' Page every week:

Please send us weekly **electronic reminders only**. Here is our **current** email address:

## PTSA Student Directory Needs Your Emails

As an incentive, every family that joins the PTSA will receive the PTSA school directory. The directory is prepared by the PTSA and includes basic family information (student name, parent names, address, phone number, and email address). Also included are lists of students by classroom and other important reference phone numbers. At this time, the school provides the PTSA with all directory information **except email addresses**. To include emails, the PTSA must request them from families. We need your help! Send us your email address today!

Parent's Name(s) \_\_\_\_\_

Student's Name(s) \_\_\_\_\_

Current Email Address(es) \_\_\_\_\_

If you would like any student or family information to appear differently from what was provided to the school, please email us with that information. Your family's information will be included in the directory unless you have requested that it remain unpublished. If you are unsure, contact the school Registrar at 425-837-5821.
