

# Art Lesson Planning Teacher Questionnaire 2007 - 2008

Teacher: \_\_\_\_\_

**The Art Docent Program has expanded to include the following art project options:**

- Assist students with classroom clay projects (led by instructor, Karen Abel)
- Present a folk art project for the Blue Grass Festival
- Introduce a famous artist masterpiece and tie an art project to it
- Present a DVD art lesson that incorporates an element of art in the art project
- Develop and/or present curriculum related art projects
- Assist with existing teacher led art projects

To save set up time for the art project, would it work with your schedule to plan the art lessons after recess, lunch, music, library or p.e. in order to have the art supplies ready when the students arrive?
